

MOTION BY SUPERVISOR JANICE HAHN

December 18, 2018

Long Beach Homeless Veterans Initiative Program

The Long Beach Homeless Veterans Initiative Program (HVI) began in July 21, 2008. The mission of the HVI is to conduct street outreach to homeless veterans in the City of Long Beach and connect them to employment services, provide benefits advocacy as well as transitional and then permanent housing.

The City of Long Beach has frequently identified this program as integral to their success in dramatically reducing their homeless veteran population. In 2017, the HVI team housed 181 veterans. In the first quarter of 2018, they housed 11 veterans.

I, THEREFORE MOVE that the Board of Supervisors delegate authority to the Chief Executive Officer to amend the agreement with the City of Long Beach to allocate an additional \$260,324 to the contract sum, utilizing Fourth District Homeless Prevention Initiative funds, for a total one-year budget to not exceed \$329,324.
